

Zellertal

Professional tips

Season: Autumn

Time of day: 06:00 a.m. – 10:00 a.m.

Weather: Clouds with sun spots, sun

Lenses: 16-35 mm, 35 mm, 24-70 mm, possibly 70-200 mm details

Filter: Polarizing filter and soft gradient GND 16 or GND 8

Tripod: Yes

Locations: The photo location is on a field path above the village of Zell with a view towards the memorial and Mölsheim or Niefernheim. After the last houses in the Fritz-Golsen-Straße, turn right at the next fork in the road. Then another 20 m along the field path and you have the panorama that can be seen here.

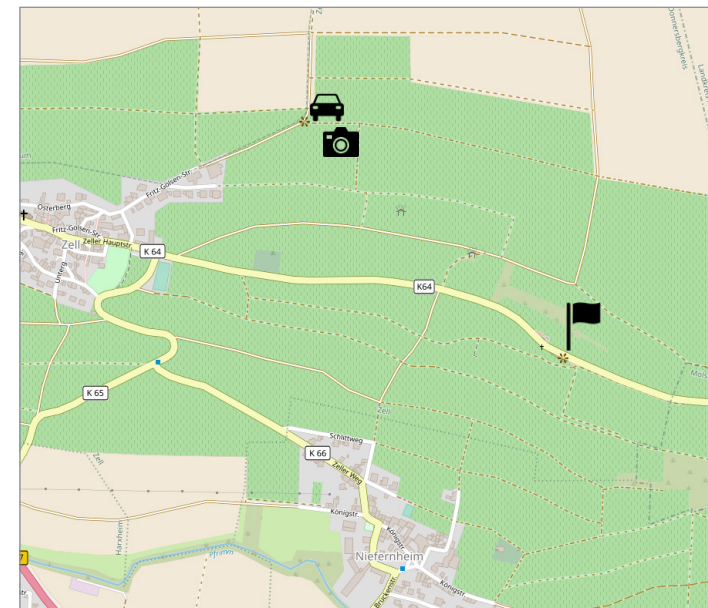

Coordinates: 49.651214, 8.146426

Motif description

Especially in late summer and autumn, the Zellertal with its vines offers a beautiful backdrop at sunrise towards the east. The shining leaves of the vines and the scenery with the memorial and the black Christian cross offer a unique backdrop.

Directions and location

The best way to reach us is via the A63 with exit 11 Kirchheimbolanden or exit 12 Göllheim into the wine growing area Zellertal. In Zell you drive up the Fritz-Golsen-Straße, pass the Schwedheim vineyard and turn right at the next crossroads.
